II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

Statement of Claim section (III)

Since January of 2017 to currently the year of 2019 Washington County Corrections & Associates meaning: Jail, Courthouse, Police, judge, District attorney's office and Correctional Officers. Committed acts of the following US Constitution violations, Civil rights Violations and hate crimes. Over 45,000 law suits have been filed against Washington county corrections for civil rights and federal and state constitution violations. I was subjected to multiple hate crimes and multiple violations of federal U.S. constitutions. My under age kids that are still in grade school were effected. The U.S Supreme Court has advised through the Special Litigation Department in Washington D.C, and well as the United States Department of Justice in Washington D.C has referred me to take action of a lawsuit financial compensation. **Referrer to the departments in regards to departments general info.** Also The White House staff has forwarded this issue to Federal Authorities due to I have to re-apply for another Presidential pardon and due to it takes a couple years for review the charges still stand until Post-Conviction relief or Appeal charges get turned over.

"Hate Crime" generally refers to criminal acts which are seen to have been motivated by bias against one or more of the social groups listed above, or by bias against their derivatives. Incidents may involve physical assault, damage to property, bullying, harassment, verbal abuse or insults, mate crime or offensive graffiti or letters (hate mail).¹⁵

Examples of such groups can include, and are almost exclusively limited to: sex, ethnicity, disability, language, nationality, physical appearance, religion, gender identity or sexual orientation.) During 2016 to present 12/30/19 and beyond. Was harassed, subjected to verbal abuse and physical abuse based on my religion of "Messianic Jewish" and practices of "Jewish Renewal" and my African American ethnicity. By Washington County correctional officers, police officers and judges and district attorneys.

The Eighth Amendment to the United States Constitution states that "cruel and unusual punishments [shall not be] inflicted." The general principles that the United States Supreme Court relied on to decide whether or not a particular punishment was cruel and unusual were determined by Justice William Brennan.¹⁶ In Furman v. Georgia, 408 U.S. 238 (1972), Justice Brennan wrote, "There are, then, four principles by which we may determine whether a particular punishment is 'cruel and unusual'." "The 'essential predicate' is 'that a punishment must not by its severity be degrading to human dignity', especially torture." "A severe punishment that is obviously inflicted in wholly arbitrary fashion." (Furman v. Georgia temporarily suspended capital punishment for this reason.) "A severe punishment that is clearly and totally rejected throughout society." "A severe punishment that is patently unnecessary." I was subject to torture, by Washington County Corrections & Associates, No change of clothes for weeks, Correctional officers spitting in my food, making racist remarks. Making go to court with no shower, cuffing my wrists and ankles to the point of bruising and bleeding. Subject to verbal abuse of hate speech 24hours a day no exaggeration. Making me extreme mental pain and suffering to the point of emergency hospital even after let out of jail. As well as continually violating me over and over again for 3 years in a row ruining my job, living situation, ruining my education at Harvard University: Extension business programs as well as Mercy Corps NW grants & Scholarships.

The Fifth and Fourteenth Amendments to the United States Constitution each contain a due process clause. Due process deals with the administration of justice and thus the due process clause acts as a safeguard from arbitrary denial of life, liberty, or property by the government outside the sanction of

SPECIAL LITIGATION SECTION CASES AND MATTERS

The Civil Rights Division of the Department of Justice, created in 1957 by the enactment of the Civil Rights Act of 1957, works to uphold the civil and constitutional rights of all Americans, particularly some of the most vulnerable members of our society. The Division enforces federal statutes prohibiting discrimination on the basis of race, color, sex, disability, religion, familial status and national origin.

Since its establishment, the Division has grown dramatically in both size and scope, and has played a role in many of the nation's pivotal civil rights battles. Division attorneys prosecuted the defendants accused of murdering three civil rights workers in Mississippi in 1964, and were involved in the investigations of the assassinations of Dr. Martin Luther King, Jr., and Medgar Evers. The Division enforces a wide array of laws that protect the civil rights of all individuals.

ORGANIZATION

The Division is led by the Assistant Attorney General. Each Section of the Division is headed by a Section Chief and several Deputy Chiefs and Special Legal or Litigation Counsels. The Division's leadership, Section Chiefs, attorneys, and administrative staff are based in Washington, D.C.

Raziel Briah
650 NW Irving Street
Portland, OR 97209-1272

Dear Mr. Briah:

Thank you for your letter. The Special Litigation Section relies on information from community members to identify civil rights violations. Each week, we receive hundreds of reports of potential violations. We collect and analyze this information to help us select cases, and we may also use this information as evidence in an existing case. We will review your letter to decide whether it is necessary to contact you for additional information. We do not have the resources to follow-up on every letter.

The Special Litigation Section is one of several Sections in the Civil Rights Division. We work to protect civil rights in four areas: 1) the rights of people in state or local institutions, including: jails, prisons, juvenile detention facilities, and health care facilities for persons with disabilities (including whether persons in health care facilities should be getting services in the community instead); 2) the rights of people who interact with state or local police or sheriffs' departments; 3) the rights of people to have safe access to reproductive health care clinics or religious institutions; and 4) the rights of people to practice their religion in state and local institutions. We are not authorized to address issues with federal facilities or federal officials.

If your concern is not within this Section's area of work, you may wish to consult the Civil Rights Division web page to find the correct section: www.justice.gov/crt

The Special Litigation Section only handles cases that arise from widespread problems that affect groups of people. We do not assist with individual problems. We cannot help you recover damages or any personal relief. We cannot assist in criminal cases, including wrongful convictions, appeals or sentencing.

If you have an individual problem or seek compensation or some other form of personal relief, you may wish to consult a private attorney or a non-profit or legal aid organization for

assistance. There are only two areas in which we can assist an individual or address a single incident: 1) we may be able to assist you if you are being prevented from practicing your religion in a prison, jail, mental hospital or other facility operated by or for a state or local government; 2) we may be able to assist you if you have experienced force or the threat of force when accessing a reproductive health care facility or religious institution.

For more information about the Special Litigation Section or the work we do, please visit our web page:

/s/

law.^[1] The Supreme Court of the United States interprets the clauses broadly, concluding that these clauses provide four protections: procedural due process (in civil and criminal proceedings) Since January of 2017 to present Washington County & Associates including Family Law violated my rights of due process causing pain & suffering to my kids that are both in grade school these rights by introducing false evidence fake pictures and fake allegations of a gun and false testimony to admitted as evidence, rape, forged documents, and subjecting me to False Imprisonment to hold me past time in attempt to file a grievance or lawsuit.

False Imprisonment occurs when a person intentionally restricts another person's movement within any area without legal authority, justification or consent.^[1] Actual physical restraint is not necessary for false imprisonment to occur. A false imprisonment claim may be made based upon private acts, or upon wrongful governmental detention. For detention by the police, proof of false imprisonment provides a basis to obtain a writ of habeas corpus.^[2] Under common law, false imprisonment is both a crime and a tort. Do to the break in due process and hate crimes committed against me I was subject to False imprisonment.

The Fourth Amendment to the US Constitution states, "The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized."^[i] Washington County & Associates violated my rights by going through my cell phone and personal property without a warrant in front of me in the booking room. As well as hooked my cellphone to a computer. As well as did not have a search warrant. **INVIATION OF PRIVACY** The right to privacy is an element of various legal traditions to restrain governmental and private actions that threaten the privacy of individuals.^{[1][2]} Over 150 national constitutions mention the right to privacy.

Pain and suffering is the legal term for the physical and emotional stress caused from an injury (see also pain and suffering).

Some damages that might come under this category would be: aches, temporary and permanent limitations on activity, potential shortening of life, depression or scarring. When filing a lawsuit as a result of an injury, it is common for someone to seek money both in compensation for actual money that is lost and for the pain and stress associated with virtually any injury. In a suit, pain and suffering is part of the "general damages" section of the claimant's claim, or, alternatively, it is an element of "compensatory" non-economic damages that allows recovery for the mental anguish and/or physical pain endured by the claimant as a result of injury for which the plaintiff seeks redress, Emotional trauma, including post-traumatic stress disorder (PTSD) and depression, Bodily injury and its lasting effects, Grief over the death of a loved one, Limitation of personal activities, Potential shortening of life. My kids that are both in grade school and I suffered multiple counts of mental suffering of all the listed conditions above as a direct result of Washington County Corrections & Multnomah Family Law Court.

Gross negligence is the "lack of slight diligence or care" or "a conscious, voluntary act or omission in reckless disregard of a legal duty and of the consequences to another party."^[1] In some jurisdictions a person injured as a result of gross negligence may be able to recover punitive damages from the person who caused the injury or loss. Washington county Corrections by ignoring the alleged victims self-admitted claims on the stand of saying she poisoned me, choked me, Hit me, and said she was going to shoot me. Also attempts of police reports were done on Bounthvy Bonkhong & Siri Overstreet and Saphouen ouk. Even reports to Homeland

security AS OF TODAY NOTHING HAS BEEN DONE EVEN WITH POLICE REPORTS AND MULTIPLE ATTEMPTS OF A RESTRAINING ORDER.

Defamation of Character & Libel and Slander (sometimes known as calumny, vilification, or traducement) is the oral or written communication of a false statement about another that unjustly harms their reputation, and usually constitutes a tort or a crime.^[1] In several countries, including South Korea^[2] and Sweden,^[3] communicating a true statement can also be considered defamation. Under common law, to constitute defamation, a claim must generally be false and must have been made to someone other than the person defamed.^[4] Some common law jurisdictions also distinguish between spoken defamation, called slander, and defamation in other media such as printed words or images, called libel

Multiple accounts due to the false charges that are still undergoing appeal and Post-Conviction Relief. My business reputation and six figure job opportunities have been ruined to the point of People of stature and power have questioned me and have lost business deals with my company Silicon valley Global as a direct result.

RELIEF

I AM ASKING THE AMOUNT DUE TO THE STATEMENTS OF CLAIM ON SECTION DESCRIPTION (III). Loss of Multiple hundred thousand dollar careers. Business losses from Silicon Valley Global a tech start up that is legally a micro company. Loss of multiple apartments and living situations since 2017. Subjected me to torture. Knowingly and willingly ruining me over the course of 3 years. My kids parenting time and custody was ruined effecting the safety and welfare of my children as well as child endangerment. Multiple counts of gross negligence. As per case in appeal alleged victim said they poisoned me, choked me and said she was going to shoot me nothing happened and held me in prison past the date to get a restraining order constituting a break in due process. Also the other cases were appealed and thrown out. I filled in U.S Supreme court in Washington D.C and attached paperwork saying the special litigation team advised to take legal action. Also attached is a letter from the White House stating the matter has been forwarded to federal authorities. Also the U.S. Supreme Court has reviewed the case and advised me to the special litigation section to do a lawsuit seeking financial compensation was advised from the U.S Supreme Court. However the issues have been going on non-Stop for multiple years and the only person "charged" **was me the tortured victim of subjected hate crimes.** I live in Multnomah County and was charged in Hillsboro court as well as my custody hearing was ruined due to I was in out of jurisdiction at the time of judgment. My business reputation and my ability to get jobs and a Presidential pardon was ruined as well as my both my under age kids were affected. Remedy is that Washington County police and correction officers undergo mandatory cultural training to better handle people from minority backgrounds to deal with racial profiling and new code of ethics. Also deportation of non-United States citizens that continually took part in the suffering of my two kids. As well as the above amount financial compensation of 7 million dollars.

Its 9/18/19 and still no interstate compact Both Olga Kameneva and David Bellwood know I've asked six months ago to move to Washington OR Nevada. Also I asked six months ago transfer my case from Washington County to Multnomah County Cause I don't live nor have I lived in Washington County. Asked through E-mails, Voice mails, in person and as of 9/18/19 my paper work has not been transferred even with my new address in Portland nobody has transferred the paperwork. I don't live nor ever lived or committed crimes in Hillsboro. Asked long time ago to have case transferred to Multnomah and Interstate Compact Olga and David know and have took no action to correct this issue. Also I have expressed multiple time to David Bellwood and Olga Kameneva that there is a federal grievance over my Constitutional rights being violated and I have the Case In Appeal since 2018. Dear Raziel,

Congratulations, your *Free Application for Federal Student Aid* (FAFSA[®]) form was processed successfully on 12/03/2019.

What you should do next

- **Review your SAR.** Your SAR is a summary of the information you provided on your FAFSA form; **it is not your financial aid offer.** Log in to fafsa.gov with your FSA ID to review your SAR.
- **Submit additional financial aid applications/documentation to your school(s).** Some states and schools require supplemental financial aid applications if you'd like to be considered for state and/or school financial aid programs. Visit the financial aid section of your school's website to determine if there is additional documentation you must provide to apply for these programs, and be sure to submit any required documentation by the stated deadline.
- **Apply for as many scholarships as you can.** This will help you limit the amount of money you may need to borrow to pay for school. **Learn how to find and apply for scholarships.**
- **Wait for financial aid offers.** You will receive a financial aid offer from each school you listed on your FAFSA form once you are accepted for admission at that school. Review your financial aid offer to determine **which financial aid you'd like to accept.** If you've applied to several schools, be sure to **compare aid offers** to see which school will be the most affordable. Each school has its own schedule for sending out financial aid offers. Contact your school's financial aid office to find out when you will receive your financial aid offer.

Note: If you need to change the information you provided on the FAFSA form (to add a school, for example), log in to your FAFSA form and select "Make FAFSA Corrections."
